Additional interest will be charged at the current rate compounded daily. Interest is charged from the original due date of the return to a date 30 days after an agreement to the additional tax is signed, or to the date of payment, if earlier. Negligence and fraud penalties, if applicable, will also continue to be charged. Generally, if notice and demand is made for payment of any amount, and that amount is paid within 21 days after the date of the notice and demand, interest on the amount paid will not be charged after the date of the notice and demand. Since additional tax is due, you may want to pay it now and limit the interest and penalty charges.

* Interest on penalties became effective 7/19/1984 (1/1/1989 for negligence and fraud) and is computed from the due date of the return unless a valid extension was filed.
